

Welcome to the 2019 season of ice hockey with Canterbury Ice Hockey Club.

John F Kennedy and NSA Hockey have joined CIHC coaching team

We are very pleased to announce that JFK will be joining CIHC this year as our Player and Coaches Development Coordinator.

He will work alongside Ken Jensen in providing support to our coaching staff and ensure an elite level of development is provided for our players.

NSA Hockey will be joining us once a week.

Two nights of training

CIHC is the only club in the city to offer two nights of training for all our junior grades and this will continue in 2019. Women have the option to join a second night.

New non-checking league for Bantam and Midget age players

This year, IHNSW is also introducing a non-checking league for males, 14-18 years and women, 14-20 years.

We are looking for expressions of interest at this time.

Register your interest on one of the Open Nights.

New jerseys

The Club is refreshing the look and style of our jerseys for 2019.

The new design will be showcased shortly.

The Committee has secured sponsorship, which is helping to offset the costs this year.

2019 Winter Season Fees

Junior Players

The 2019 program is better than ever. We are providing excellent value to our players, and these fees are being subsidised both by sponsorship and Club input.

Registration Fees

NB. IHNSW and IHA fees have not yet been advised, so based on last year

Non-checking league fees are yet to be advised
